Omaha Public Schools Sports Medicine Advisory Committee
Parent and Student Athlete Concussion Information and Fact Sheet

In the fall of 2008, the Certified Athletic Trainers and Physicians working with OPS began utilizing new guidelines to evaluate, assess, and manage concussions incurred by OPS student athletes. Since then the guidelines have been reviewed and updated annually to reflect emerging best practices in the recognition and management of concussions in youth sports.

Did You Know?
According to the Center for Disease Control and other publications:

- Each year 300,000 athletes suffer sports-related concussions.
- The national estimate for concussions in high school athletes is 136,000.
- In ages 15-24, sports are the 2nd leading cause of traumatic brain injury.
- Most studies done on concussions focus on the "mature" brain and thus, we cannot ignore the fact that the young brain is still developing and the effects of concussions are not fully understood.
- High school athletes who sustain a concussion demonstrate prolonged memory dysfunction compared with college athletes.
- A concussion is: "getting your bell rung," and "getting dinged."
- Failure to recognize and properly manage a concussion can lead to a catastrophic injury known as "second impact syndrome."
- Second impact syndrome can be catastrophic, even fatal.
- Second impact syndrome is preventable - if concussions are recognized and properly managed:
  - ‘April 18, 2011, LB 260 - "The Concussion Awareness Act" was signed into law with the intent to protect the youth participating in athletics across the state from the dangers of concussions that are often unrecognized, undiagnosed, and/or mismanaged.

Sources:

WHAT DOES A CONCUSSION LOOK LIKE?

**SIGNS:**
1. Appears dazed or stunned
2. Is confused about an assignment
3. Forgets plays
4. Moves clumsily or displays problems with balance and coordination
5. Loses consciousness (even briefly)
6. Shows behavioral of personality changes

**SYMPTOMS:**
1. Headache or "pressure" in the head
2. Nausea
3. Balance problems or dizziness
4. Double or fuzzy vision
5. Sensitivity to light or noise
6. Feeling slowed down, foggy, or groggy
7. Does not "feel right"
### Guidelines For Concussion Management:

The Goals and Outcomes of the OPS Sports Medicine Advisory Committee on Concussion Management

<table>
<thead>
<tr>
<th>GOAL</th>
<th>GOAL</th>
</tr>
</thead>
<tbody>
<tr>
<td>To prevent increasing the severity of the injury.</td>
<td>To prevent re-injury through proper management.</td>
</tr>
</tbody>
</table>

#### Guideline

All concussions will be assessed using guidelines established by the 2008 International Conference on Concussion in Sport.

For complete details, please see your school’s Certified Athletic Trainer.

---

**BRAIN INJURIES (CONCUSSIONS) SHOULD NOT BE TAKEN LIGHTLY. ONLY THROUGH IMMEDIATE AND EARLY RECOGNITION AND PROPER MANAGEMENT, CAN WE PREVENTA POTENTIALLY LIFEALTERING EVENT.**

---

#### Guideline

1. A student athlete will be removed from a practice or game when he or she is reasonably suspected of sustaining a concussion or head injury;
2. The student athlete will be evaluated by qualified medical personnel;
3. The student athlete will not be allowed to return to play until he or she is asymptomatic and exhibit no neuropsychological or neurocognitive deficits during follow-up ImPact Testing; and
4. The student athlete will not be allowed to return to practice or competition until he or she has been cleared by a physician or OPS Certified Athletic Trainer and has completed a medically supervised stepwise return to play progression.

For complete details, please see your school’s Certified Athletic Trainer.

---

### What to Do if You Suspect Your Child Has Suffered a Concussion

- Headaches that worsen
- Seizures
- Looks very drowsy and cannot be awakened
- Repeated vomiting
- Slurred speech
- Cannot recognize people or places
- Increasing confusion or irritability
- Weakness or numbness in arms or legs
- Neck pain
- Unusual behavior change
- Any loss of consciousness
- Any symptoms that worsen or do not improve overtime
- Increase in the number of symptoms
- Symptoms which begin to interfere with the student’s daily activities

---

*If your son or daughter has sustained a concussion:*

1. Seek medical attention (physician, ER, athletic trainer)
2. Keep them out of play
3. Tell all athletic trainers and coaches about any previous or current concussions

OMAHA PUBLIC SCHOOLS HEAD INJURY/CONCUSSION
ACKNOWLEDGEMENT FORM

I understand there is a possibility that participation in any sport may result in a head injury and/or concussion. Furthermore, I have been provided with the Omaha Public Schools Sports Medicine Advisory Committee Parent and Student/Athlete Concussion Information and Fact Sheet and understand the importance of reporting a head injury and/or concussion to parents, coaches and athletic training staff.

After reading the Omaha Public Schools Sports Medicine Advisory Committee Parent and Student/Athlete Concussion Information and Fact Sheet, I am aware of the following information:

• A concussion is a brain injury, which I am responsible for reporting;
• A concussion can affect one’s ability to perform everyday activities, affect reaction time, balance, sleep quality, and classroom performance;
• A student athlete will not be allowed to return to a game or practice until cleared by a physician or the OPS Athletic Training Staff;
• Following a concussion, the brain needs time to heal. There is an increased likelihood for a repeat concussion if the individual returns to play before symptoms have resolved;
• In certain instances, repeat concussion can cause permanent brain damage, even death; and
• At any point following a suspected concussion, any of the following individuals reserves the right to voice concern for the safety of a student athlete and prohibit them from returning to play: physician, coach, student athlete, athletic trainer, parent.

By signing below, I understand the importance of the statements above and have asked any, and all questions regarding the above statements. I further understand that I will not be allowed to participate in OPS athletics until this form is signed by a parent/guardian.

I hereby attest that I have read, fully understand, and will abide by the above statements.

OMAHA PUBLIC SCHOOL BASED HEALTH CENTERS FOR SCHOOL AND SPORTS PHYSICALS

Enrollment forms for OPS School Based Health Centers are sent to homes yearly in SIP (Student Information Packet) mailings before the start of the school year.

The following school-based health centers can schedule appointments for sports physicals during regular school hours. These school-based health centers are operated and staffed by the community’s federally qualified health centers, each serving 4 schools.

Staffed by Charles Drew Community Health Center, 402-457-1200
(Please call individual school for appointment)
Belvedere Elementary, 3775 Curtis Ave. (402) 932-1232
King Science Magnet Middle, 3720 Florence Blvd. (402) 502-5644
Kellom Elementary, 1311 N. 24th Street (402) 505-5451
Northwest High Magnet School, 8204 Crown Point Avenue (402) 916-5964

Staffed by OneWorld Community Health Centers, 402-734-4110
Bryan High School, 4700 Giles Road (402) 991-3904
Indian Hill Elementary, 3121 U Street (402) 933-4968
Liberty Elementary, 2021 St. Mary’s Ave. (402) 505-8180
Spring Lake Magnet Elementary, 4215 S. 20th Street (402) 932-7014

Payment options accepted: Medicaid, Kids Connection, private health insurance, or if not yet covered by health insurance, health center staff will work with you to help enroll your children with Kids Connection or Medicaid. Contact one of the health centers if you need more information regarding payment for services. Detailed information is available at [www.buildinghealthyfutures.org/sbhc](http://www.buildinghealthyfutures.org/sbhc)

OMAHA PUBLIC SCHOOLS-Student Form

ATHLETIC INSURANCE COVERAGE

Your school, acting for members of the athletic squad, makes available an Athletic Injury Benefit Plan approved by the Omaha board of Education. The total premium is paid by the student or parent. The purpose of such coverage is to assist in the cost of treatment of accidental injury. Payments are in addition to any payments by another company for the same injury.

SQUAD MEMBERS MST HAVE INSURANCE COVERAGE TO PARTICIPATE.

Check the statements that apply:

_____ I shall participate in the Athletic Benefit Injury Plan. Enroll online at [www.studentinsuranc-kk.com](http://www.studentinsuranc-kk.com). Click the “Enroll Now” button. See flyer for more information.

_____ I have accident injury coverage with the ________________________________ Insurance Company.

Policy No. __________________ Signature of Parent/Guardian __________________

Note: This form is to be filled out completely and filed in the office of the school before athlete is allowed to practice and/or compete
To be completed for students participating in any NSAA activities.

Student and Parent Consent Form

School Year: 2020-2021
Member School: _______________________________________
Name of Student: _______________________________________
Date of Birth: ___________________ Place of Birth: ___________

The undersigned(s) are the Student and the parent(s), guardian(s), or person(s) in charge of the above-named Student and are collectively referred to as "Parent".

The Parent and Student hereby:
(1) Understand and agree that participation in NSAA sponsored activities is voluntary on the part of the Student and is a privilege;
(2) Understand and agree that (a) by this Consent Form the NSAA has provided notice to the Parent and Student of the existence of potential dangers associated with athletic participation; (b) participation in any athletic activity may involve injury or illness of some type; (c) the severity of such injury can range from minor cuts, bruises, strains, and muscle strains to more serious injuries to the body’s bones, joints, ligaments, tendons, or muscles, to catastrophic injuries to the head, neck and spinal cord, and on rare occasions, injuries so severe as to result in total disability, paralysis and death; (d) the severity of an illness, including contagious diseases such as the COVID 19 virus, and bacterial infections may be so severe as to result in disability and death; and, (c) even the best coaching, the use of the best protective equipment and strict observance of rules, injuries are still a possibility;
(3) Consent and agree to participation of the Student in NSAA activities subject to all NSAA by-laws and rules interpretations for participation in NSAA sponsored activities, and the activities rules of the NSAA member school for which the Student is participating; and,
(4) Consent and agree to (a) the disclosure by the Member School at which the Student is enrolled to the NSAA, and subsequent disclosure by the NSAA, of information regarding the Student, including the student’s name, address, telephone listing, electronic mail address, photograph, date of and place of birth, major fields of study, dates of attendance, grade level, enrollment status (e.g., full-time or part-time), participation in officially recognized activities and sports, weight and height of as a member of athletic teams, degrees, honors and awards received, statistics regarding performance, records or documentation related to eligibility for NSAA sponsored activities, medical records, and any other information related to the Student’s participation in NSAA sponsored activities; and, (b) the Student being photographed, video recorded, audio taped, or recorded by any other means while participating in NSAA activities and contests, consent to and waive any privacy rights with regard to the display of such recordings, and waive any claims of ownership or other rights with regard to such photographs or recordings or to the broadcast, sale or display of such photographs or recordings.
(5) Consent and agree to authorize licensed sports injury personnel to evaluate and treat any injury or illness that occurs during the student’s participation in NSAA activities. This includes all reasonable and necessary preventive care, treatment and rehabilitation for these injuries. This would also include transportation of the student to a medical facility if necessary. Such licensed sports injury personnel are independent providers and are not employed by the NSAA.
(6) Acknowledge that Parents are obligated to pay for professional medical and/or related services; the NSAA shall not be liable for payment of such services. We give permission to any and all of the Student’s health care providers and the NSAA and its employees, staff, agents, and consultants to release and discuss all records and information about the Student including otherwise confidential medical information and records. We understand that this release has been requested and may be used for the purpose of determining eligibility pertaining to activities participation, fitness, injury, injury status, or emergency.

I acknowledge that I have read paragraphs (1) through (6) above, understand and agree to the terms thereof, including the warning of potential risk of injury inherent in participation in athletic activities.

_________________________________________________________________________________________

I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. A copy of the physical examination findings are on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).
